

# Therma-Tru® Veris™ Collection Door Systems

Aluminum -- Hinged, Pivot, Folding and Sliding Door Systems

## Limited Warranty

For Purchases Made on or After May 4, 2023

### 1. WHAT THE LIMITED WARRANTY COVERS AND FOR HOW LONG

#### a) PRODUCT DEFINITION:

Therma-Tru Aluminum VERIS COLLECTION DOOR SYSTEM ("Product") consists of (i) a Therma-Tru Aluminum door frame(s) named above and (ii) the following parts when they are genuine Therma-Tru components: sidelites, transoms, simulated divided lites on doors and sidelites, hinges, weatherstrip, door bottom sweep (gaskets), sill pan, screens, door sill, astragal, and locking system door handles and lockset. This Limited Warranty applies only when the Product is entirely composed of genuine Therma-Tru components.

#### b) COVERAGE:

Subject to the limitations and exclusions below, and for the duration of the applicable stated Warranty Period, Therma-Tru warrants that Products purchased and installed in the USA or Canada:

**NON-GLASS COMPONENTS** Are free from non-conformities in material and workmanship. All hinges and locking systems are also warranted against non-conformities in the mechanical and locking mechanism (excluding (i) installations within 5 miles of a body of salt water and (ii) the finish. See Section 2a "WHAT THIS LIMITED WARRANTY DOES NOT COVER" for clarification

**GLASS COMPONENTS:** Are free from non-conformities in material and workmanship resulting in internal glazing failure, seal failure, internal insert slippage, and permanent and material visual obstruction from moisture or dust film formation in the air space of the sealed glass unit.

**SUMMARY OF LIMITED WARRANTY PERIODS FOR PRODUCTS – for Residential Warranty Holders Effective March 6, 2023.**

This table summarizes for Residential Warranty Holders the Warranty Periods under this Limited Warranty that apply to Products. This table is provided for the Warranty Holder's convenience ONLY. READ the entire Limited Warranty for the conditions and limitations that apply to this information. Products installed in commercial or multi-resident are subject to different warranty coverages, Warranty Periods and transferability restrictions which are stated in Section 1(c) "Warranty Period".

Warranty Period	Lifetime
Warranty Transferrable	1x
Door a/k/a Door Slab and Panels - Applied or inserted	Yes
Insulated Glass Clear, Low-E	Yes
Laminated Glass	10 yrs
Hinges Mechanical(excluding (i) installations within 5 miles of body of salt water and (ii) the finish)	Yes
Locking Systems Mechanical and locking Mechanisms installed in Products(excluding (i) installations within 5 miles of body of salt water and (ii) the finish.)	Yes
Seals and Weatherstrip	Yes
Sills and Sill Pan	Yes
Astragal	Yes
Sliding and Fixed Screens	Yes
Finish	Yes (10 Years, Transferable balance)

#### c) WARRANTY PERIOD:

Product	Warranty Holder Classification	
	Residential Warranty Holder	Commercial/Multi- Resident Warranty Holder
Aluminum Door Systems <ul style="list-style-type: none"><li>Hinged Entry</li><li>Pivot Entry</li><li>Sliding</li><li>Folding</li></ul>	Lifetime with 1x Transferrable <sup>1</sup>	3 Years <sup>3</sup>

<sup>1</sup> "Lifetime with 1x Transferrable" means that the Lifetime Limited Warranty (described in footnote<sup>2</sup> below) is transferrable by the original Residential Warranty Holder once to a subsequent Residential Warranty Holder and the Lifetime Residential Warranty Period will continue until that second Residential Warranty Holder no longer owns and resides in the residence ("Lifetime with 1x Transferrable") The transferee-second Residential Warranty Holder is subject to any shorter duration of Warranty Period expressly stated in this Limited Warranty

<sup>2</sup> Measured from date Product was originally purchased from an authorized dealer and continuing for as long as the original Residential Warranty Holder owns and resides in the premises in which the Product was installed ("Lifetime Limited Warranty"), unless a shorter duration is expressly stated for the Product component.

<sup>3</sup> Measured from the earlier of the date Product was shipped from Therma-Tru or an authorized dealer; transferrable to successor Commercial/Multi-Resident Warranty Holder during and for the balance of the original Commercial/Multi-Resident Warranty Period.

#### d) WARRANTY HOLDER CLASSIFICATIONS

**RESIDENTIAL WARRANTY HOLDERS:** If the Product is installed in (i) a new residential dwelling and the first occupant owns the dwelling or (ii) an existing owner-occupied residential dwelling, and in each case, at the time of installation such owner is also responsible for Product replacement, then that owner is a Residential Warranty Holder. For example, assume the Product is installed in a condominium unit in a multi-resident building. If the first occupant of the condominium unit is the first owner of that unit and is also responsible for Product replacement, then that owner is a Residential Warranty Holder; however, if the owner is not the first occupant or if someone else other than the owner (for example, the condominium association) is responsible for Product replacement, then the owner is not a Residential Warranty Holder.

**COMMERCIAL & MULTI-RESIDENT WARRANTY HOLDERS** If the Product is installed under conditions in which no one qualifies as a Residential Warranty Holder as described above, then the warranty holder is the owner of the dwelling or building in which the Product has been installed at the time of installation (and its builder and contractor). That owner is classified as a Commercial/Multi-Resident Warranty Holder. For example, this includes owners of commercial or investment buildings, or multi-resident premises in which the occupant is not responsible (other than through periodic fees/other assessments) for Product replacement whether or not the occupant owns the residential dwelling unit in the premises (including by example, certain condominiums, town homes, duplexes, apartments, cooperatives).

## 2. WHAT THIS LIMITED WARRANTY DOES NOT COVER

This Limited Warranty does not include non-conformities or damages attributable to or arising from:

### a) GENERALLY:

- General wear and tear, including without limitation wear and tear of seals, weatherstrip, or the locking system.
- Minor scratches or minor visual imperfections outside the Product's standard manufacturing and quality specification parameters.
- The finish on a locking system (door handles and lockset), This includes but is not limited to finish discoloration, tarnishing, scratches, abrasions, and visual imperfections. Exposure to certain environmental conditions, including but not limited to salt spray, acid rain, high humidity, or other corrosive elements may adversely affect the coatings on finishes (as well as the mechanical and locking system, door handles and lockset mechanisms). Timely and proper cleaning of hinges and a locking system will help to extend the finish appearance (and mechanical mechanisms) and discourage the possibility of rust and corrosion. Hinges and a locking system (door handles and lockset) should be wiped down periodically with a soft, water-dampened cloth and dried off with a soft dry cloth. Abrasive cleaners or other harsh chemicals should never be used on hinges or a locking system (door handles and lockset). Maintenance of the finish (and mechanical mechanisms) is the responsibility of the Warranty Holder.
- The mechanical mechanism on hinges installed within 5 miles of a body of salt water.
- The mechanical and locking mechanism on the locking system if the Product is installed within (5) miles of a body of salt water. The Warranty Holder is responsible for maintaining the mechanical features of hinges and the locking system in the same manner as noted in the 3rd bullet above.
- Negligence; improper use; incorrect installation or finishing (with stain, paint, or varnish, or in any manner); lack of maintenance or operation inconsistent with Therma-Tru recommendations and written instructions that are generally available in the Therma-Tru Product Manual as updated by bulletins or other written communications, or on the Therma-Tru website at [www.thermatru.com](http://www.thermatru.com).
- Improper pre-installation storage, including inadequate shelter or inadequate venting of shipping wrap in humid locations.
- Misapplication of Products or faulty building design or construction, including inadequate flashings, caulking, building settlement, or structural failures of walls or foundations, or inadequate overhangs.
- Installation in locations or a manner that exceeds or deviates from Product design standards and/or testing and certified performance specifications, and/or not in compliance with building codes.
- Product reinstalled after removal from its original installation, except in connection with proper and timely maintenance of components which incur normal wear and tear, such as the weatherstrip, door bottom and sweep(gasket).
- Damages aggravated or worsened because of failure by the Warranty Holder or its agents to timely take reasonable actions to mitigate any alleged damages or failure to file a claim for alleged damages promptly and during the Warranty Period.
- Harsh natural environmental conditions, including by example from substantial exposure to sun, salt spray, contact with a copper treated wood, such as Alkaline Copper Quaternary (ACQ) or airborne pollutants; other severe conditions including exposure to harsh chemicals or solvents, such as acidic brick washes or stucco leach; or damage from vandalism, or domestic or wild animals. Use of this product in coastal applications will not automatically void this warranty.
- Labor for removing, installing, or replacing Product or components or labor for other materials that are removed, reinstalled, or refinished in conjunction with repairing or replacing the Product or component.

- Any painting, staining, scratching, or other alteration of a Therma-Tru factory-applied exterior coating surface of the Products.

- Fading, discoloration, or color change of a Therma-Tru factory- applied color coating that equals or is less than five 5 Delta E units, calculated in accordance with ASTM E 308-85, ASTM E 805-81 and ASTM D 2244-85, effective on the date the Product is manufactured, and which covers less than a material portion of the exterior of the Product. Color change will be measured on an exposed color surface of the Product that has been properly maintained and cleaned of soils, and the corresponding values measured on the original or unexposed color surface. Non-uniform fading or color change is a natural occurrence if the exterior surfaces of the Product are not equally exposed to the sun and other environmental conditions.

- Temporary thermal expansion or bowing
- Products not installed in the USA or Canada.

### b) GLASS

- Minor variations in glass color or imperfections that do not affect the structural integrity of the glass or do not permanently and materially obstruct vision from moisture formation between the panes.
- Glass covered with aftermarket films, coatings, tints
- Accidental glass breakage, including by example caused by debris or foreign objects striking the glass, or breakage that may occur under conditions exceeding the Product's performance parameters.
- Condensation, frost, or mold resulting from humidity within the building and interior/exterior temperature differentials. Note: There is no such thing as a "condensation-free" window in high-humidity conditions. Controlling the amount of moisture in your home is the most effective action you can take to avoid condensation.
- Stresses from localized heat which cause excessive temperature differentials over the glass.
- Post-manufacture dissipation of inert gases (as argon) or the amount of gas in Products with inert gas-filled insulating glass.
- Scratches or other imperfections, unless readily observable more than 4 feet away.
- Any sound that occurs from decorative grids striking the glass due to vibrations from daily use or outside traffic is not considered an imperfection, nor is the grid touching the glass (primarily in triple- pane window units) considered a defect.
- Mineral deposits.
- Any minor blemishes or conditions found to be acceptable under ASTM C 1036, ASTM 1048 or ASTM 1172.

### c) ADDITIONAL LIMITATIONS, EXCLUSIONS AND CONSIDERATIONS

- This Limited Warranty does not guarantee safety for persons or property, nor make a premises hurricane-proof or impact-proof. Follow weather and news reports in order to assess severe weather situations and obey local authorities' shelter and evacuation orders.
- This Limited Warranty does not cover damage attributable to or caused by acts of God that include, but are not limited to, stresses, high winds, floods, fire and other conditions that exceed Product designs and testing specifications that are test evaluated and certified as referenced in Therma-Tru's published literature. CERTIFICATION APPROVAL, RATING AND REFERENCES TO OTHER PERFORMANCE STANDARDS MEAN THAT THE PRODUCT MEETS THE ESTABLISHED SPECIFICATION PARAMETERS OF THE CERTIFICATION PROCESS OR STANDARD TESTING AT THE TIME THE PRODUCT IS MANUFACTURED. However, with exposure over time to environmental conditions, including by example high-wind events and other forces of nature, the Product will be subjected to normal and abnormal wear, and its performance capability may change. It is the Warranty Holder's (and its building agents) responsibility to consult local building code laws, and the certification and rating agencies published

materials and websites for guidelines on the standards necessary to meet all regulations and codes in the area where the Product will be installed. Product features designed to help address pressurization of a building during high-wind or other severe storm events are not a guarantee against water and air infiltration, and Therma-Tru is not responsible for claims or damages caused by water or air infiltration of Product.

- Product selection is the sole responsibility of the Warranty Holder and its building agents, not Therma-Tru.
- Damage from failure to inspect Product following each high-wind or impact event is not covered under this Limited Warranty.
- Inert gas may naturally dissipate from the Products over time, which may affect thermal performance. Therma-Tru does not warrant or guarantee any level of gas fill or thermal performance during the Product's lifetime. Any claim or representation regarding gas fill or thermal performance is from the time of manufacture only.
- This Limited Warranty will be void if the Product corrodes due to reasons other than non-conformities in material and workmanship, including without limitation corrosion arising from misuse, abrasions, environmental conditions, solvents, corrosives, salts, chemicals, excessive moisture, or any other damage due to normal wear and tear that could have been addressed by routine, timely, and proper initial finishing or periodic corrective maintenance.

### 3. THIS LIMITED WARRANTY'S EXCLUSIVE REMEDY

If the Product or any components fail to meet this Limited Warranty, Therma-Tru sole obligation is to either (as Therma-Tru elects):

- Repair the component(s) (color and graining matching not guaranteed), or
- Provide replacement component(s) to the Warranty Holder or Therma-Tru's dealer designated (color and graining matching not guaranteed), or
- Refund the Warranty Holder's purchase price (the lesser of the original Product/component purchase price or the original catalog list price).

Repaired or replaced components are warranted only on the same terms and for the remainder of the Warranty Period. Therma-Tru reserves the right to discontinue or change any Product. If the Product or component is not available, Therma-Tru may select and provide a replacement Product or component of equal quality and price. This is the Warranty Holder's sole and exclusive remedy for the Product under this Limited Warranty. By example but not limitation, this Limited Warranty does not cover any of the following costs and expenses: (i) labor for removing, reinstalling, refinishing Product (or other materials that are removed, reinstalled, or refinished to repair or replace the Product); (ii) shipping/freight expenses to return the Product to Therma-Tru; (iii) normal maintenance; (iv) consequential, special, or indirect losses or damages of any kind.

### 4. DISCLAIMER OF WARRANTIES

THIS LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, EXPRESS, OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW, SUCH WARRANTIES ARE LIMITED TO THE DURATION PROVIDED BY

LAW. SOME STATES/PROVINCES/TERRITORIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY DOES

NOT AUTHORIZE ANYONE TO CREATE FOR IT ANY OBLIGATION OR LIABILITY IN CONNECTION WITH PRODUCTS.

THERMA-TRU'S SOLE LIABILITY UNDER THIS LIMITED WARRANTY IS REPLACEMENT, REPAIR, OR REFUND OF THE PURCHASE PRICE AS SET FORTH ABOVE. IN NO EVENT WILL THERMA-TRU BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGE OF ANY KIND TO A PREMISES, LOSS OF PRODUCT USE, REINSTALLATION, LABOR, REMOVAL, REFINISHING, TEMPORARY/PERMANENT RELOCATION OF RESIDENTS OR PROPERTY, LOSS OF PROFITS/REVENUE, INTEREST, LOST GOODWILL, WORK STOPPAGE, IMPAIRMENT OF OTHER GOODS OR WORK, INCREASED OPERATING EXPENSES, EMOTIONAL DISTRESS CLAIMS OR CLAIMS OF THIRD PARTIES FOR SUCH DAMAGES, WHETHER BASED ON CONTRACT, WARRANTY, TORT (INCLUDING BUT NOT LIMITED TO, STRICT LIABILITY OR NEGLIGENCE OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES). SOME STATES/PROVINCES/TERRITORIES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY THIS LIMITED WARRANTY PROVIDES SPECIFIC LEGAL RIGHTS, BUT THE WARRANTY HOLDER MAY HAVE OTHER RIGHTS WHICH VARY BY LOCATION. IF THIS LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL THERMA-TRU'S ENTIRE LIABILITY EXCEED THE LESSER OF THE PRODUCT'S OR THE NON-CONFORMING COMPONENT'S PURCHASE PRICE.

### 6. CLAIMS

Claims must be initiated during the Warranty Period. To initiate a claim, please contact the builder, dealer, or contractor who installed or sold the Product. If that party is unknown or unreachable, contact Therma-Tru, 1750 Indian Wood Circle, Maumee, Ohio 43537 at 1-800-537- 5322 or at [www.thermatru.com](http://www.thermatru.com). All warranty claims will require proof of Product purchase and premises ownership, and Claimant may be required to return the Product or component to Therma-Tru.

Note: This Limited Warranty applies only to Products purchased and installed in the USA or Canada. For Products purchased or installed outside the USA or Canada, Therma-Tru disclaims any and all warranties of any kind, express or implied, by operation of law or otherwise, and any and all liability for damages of any kind.
